When your pet is upset, you know it!

Calming Formula helps keep your pet calm and relaxed. Whether it's a trip to the vet or groomer, separation, loud noises, kenneling, or a change to a daily routine, now you have the perfect answer to help keep your dog calm and in control—**Calming Formula from Terry Naturally® Animal Health.**

**Calming Formula:**

- **Helps keep dogs calm and relaxed**
- **Helps with behavioral problem management**
- **Doesn't cause drowsiness**
- **Works quickly**

For stress from travelling, vet visits, moving, or other situations that may cause anxiousness—there's Calming Formula.

**What's Inside:**

**Calming Formula** features a species of echinacea—*Echinacea angustifolia*—grown under controlled conditions and processed using a special extraction. Research has found it delivers brain-specific compounds called alkamides, which support brain receptors associated with feelings of calm and relaxation. While other echinacea compounds are utilized for immune support, these specific compounds are key for mood and relaxation.

**Help keep your dog calm and relaxed quickly and easily with Calming Formula.**

**MONEY-BACK GUARANTEE**
