

Boswellia Spray

After Workout Leg Spray

INGREDIENTS:

boswellia (*Boswellia serrata*) gum resin oil, 4% menthol, boswellia (*Boswellia serrata*) gum resin extract, 2% camphor, flax (*Linum usitatissimum*) seed oil, and turmeric (*Curcuma longa*) rhizome extract, in a base of olive oil.

DIRECTIONS:

Spray and rub down on joints and muscles. Use as often as needed. Perfect after your horse's daily workout routine.

WARNINGS:

For external use on equines only, not for use on other animals.
Do not apply to open wounds, damaged skin, or if excessive skin irritation occurs.
Do not bandage tightly.
Do not apply with heat.
Avoid spraying near eyes.

A sound and happy horse will put a smile on your face—especially after a workout! Help your horse thrive with **Boswellia Spray**. As a cherished ingredient, boswellia has been a vital component of Ayurvedic medicine for thousands of years. **Boswellia Spray** is the result of advanced technology that has led to the development of a unique standardized boswellia extract—the perfect addition for every horse owner's tack box. It's the convenient spray in a small bottle that goes a long way to provide a multitude of benefits for equines.

After a workout, or for a daily leg spray choose **Boswellia Spray**.

What's Inside:

Boswellia Spray features boswellia, along with menthol, camphor, flax seed oil, and turmeric oil, all in a base of olive oil. Boswellia, the key ingredient, has a number of beneficial compounds including AKBA (acetyl-11-keto-β-boswellic acid). Unlike unstandardized boswellia, which has compounds not associated with healthy benefits, our spray uses a unique process that ensures at least 10% AKBA. The right compound—the right result. Your horses get the support they need from this cooling, fast-acting spray.

Boswellia Spray is safe and effective for every day use. It's perfect for your horse to experience a multitude of benefits from this holistic formulation.
